

TRAINING AND PLACEMENT CELL

Chandigarh College of Education, Landran is the first college in the Northern region to have established a Training and Placement Cell for providing job opportunities to our B.Ed graduates. The placement cell thus is mainly responsible for providing training, establishing effective liaisons with various schools and arranging interviews with a view to assist students in securing jobs.

Objectives of Pre-Placement Preparation-

- To bridge the gap that currently exists between the industry and fresh professionals for recruitment purposes.
- To build confidence among students.
- To make students know the importance of Training and Placements.

The Pre-Placement activities of College includes -:

- Communication, networking and relationship building with the potential recruiters.
- Invitation to potential recruiters to visit the institute.
- Grooming and training of the candidates for the placements so that their chances of selection increase.
- The students are trained on aspects like :
 - ✓ Facing Interviews.
 - ✓ Facing Group Discussions.
